Jay Green on Vulture Culture

Fatty Bolger is an existing crag down by the Blind Channel near The Zip. The north end of the crag is not included in this topo.

1. Vulture Culture 13-

Start up the Leading Edge (11a) to the 3rd bolt. Step right to a scoop and climb the technical undercling feature. FA- J.Green

2. Waning Gibbous 10c/d

Start up The Squeakers to the first bolt. Follow face holds up the arete. FA- B.Green.

3. The Squeakers 5.6

Climb the obvious corner to the big ledge. Belay from there or continue up the bolted slab. FA-K.Green

4. Rose of Sharon 10a/b

Climb the shallow corner to the ledge to gain the first bolt. Face climb to the top. FA-B.Green
